

FIG.1

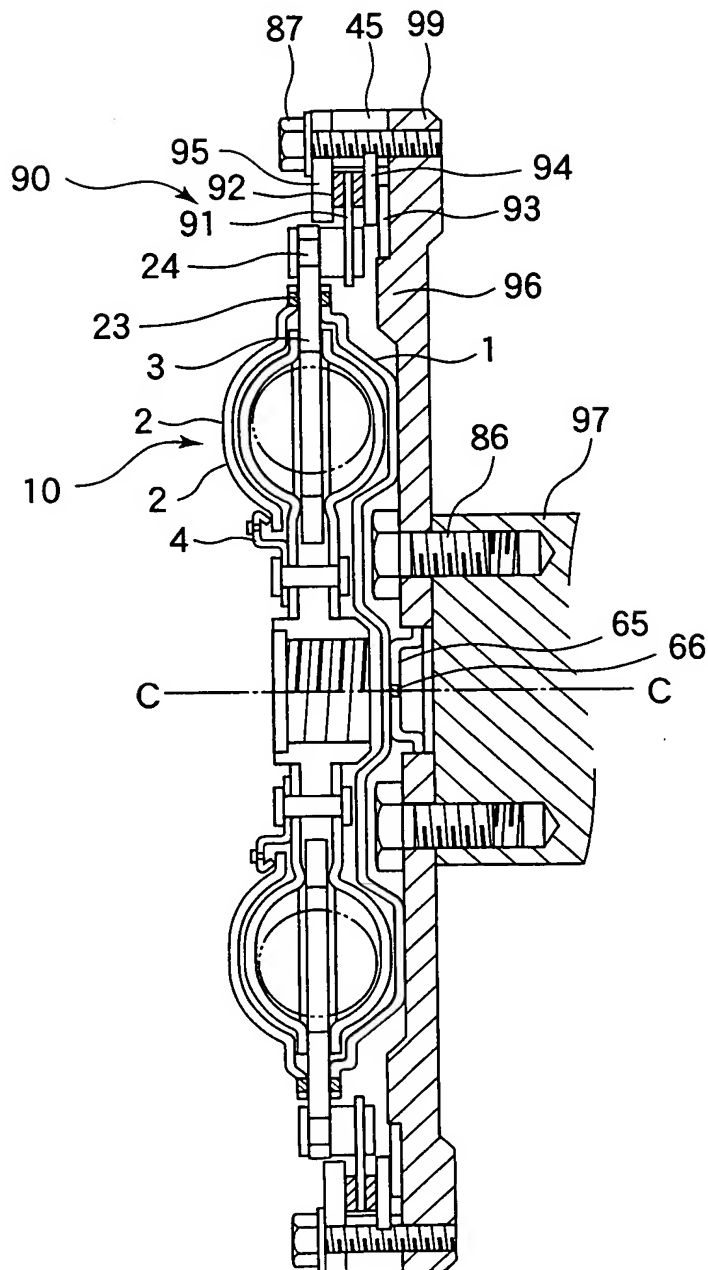

FIG.2

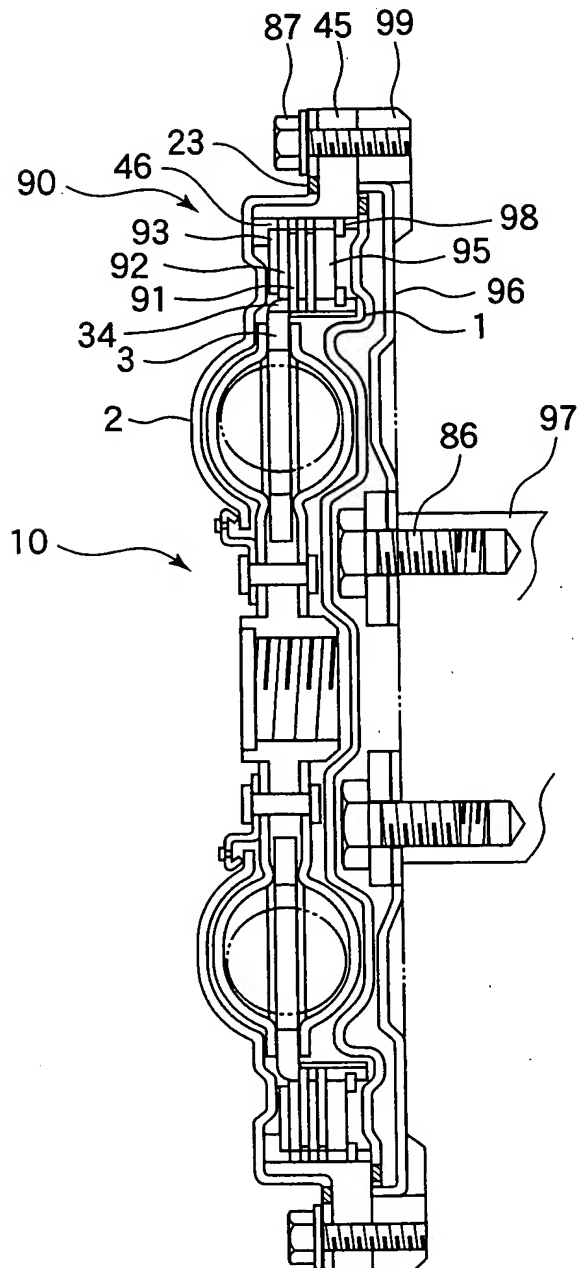

FIG. 2 is a cross-sectional view of the device 100 in a closed position. The device 100 includes a main body 1 with a central passage 2. A plug 87 is positioned at the top of the main body 1, secured by a screw 45. A side screw 99 is also present. A bracket 10 indicates a valve assembly on the left side, comprising components 2 and 3. On the right side, two horizontal screws 86 are shown. Various internal components and passages are labeled with numbers: 90, 46, 93, 92, 91, 34, 98, 95, 96, 97, and 98. The drawing illustrates the internal structure and assembly of the device 100.
